

Digital Media Specialist

Use your media skills and creativity to motivate and inspire people by showing how God is utilizing our technology solutions to advance the gospel around the world. Tell great stories that highlight God's faithfulness in changing lives for His glory. Produce video content alongside our communications team that sparks enthusiasm within believers to spread the gospel locally and globally.

Qualifications – High degree of creativity, interpersonal skills, and the ability to collaborate with others. Strong organizational skills for visual storytelling. Ability to plan, interview, gather video, and produce cohesive stories. Proficiency in camera function and technique, video editing, and all aspects of video pre- and postproduction. Ability to engage cross-culturally. Three years of experience in the media arts using visual composition, digital video, lighting, and audio techniques.

Responsibilities – Serve the PR/Communications and Funding Development teams' needs. Create promotional videos for SonSet Solutions and other evangelistic content under the direction of the Media Team Lead. Interview and film special visitors, ministry partners, speakers, etc., and produce corresponding videos. Travel overseas occasionally to gather stories and footage. Cross-train our staff and overseas ministry partners in video production techniques.

Fundamental Requirements – Be a born-again follower of Jesus Christ with a heart for service, passionate for the advancement of the gospel around the world, and willing to uphold the [SonSet Solutions Statement of Faith](#).

This is a full-time or part-time position, either at our offices in Elkhart, Indiana, or working remotely. For supported staff, it requires the development of ministry partnerships for prayer and financial backing. A volunteer may also fill this position.
